

The Fremont Area Community Foundation has established five Field of Interest Funds. Grants would be given from these funds to benefit programs, projects or organizations in the areas of arts and culture; civic improvements; education; health and recreation; and social services. These grant funds are in addition to the competitive grants already given by the Foundation in the area.

Your contribution to the Foundation will become a part of these endowment funds established for the benefit of the Fremont community and surrounding area.

Please select which Field of Interest Fund you would like the Foundation to invest your gift:
