

Poverty is about more than money—it's shaped by systems and barriers people navigate every day. This sector-specific *Bridges Out of Poverty* training will help you understand those realities and build practical tools to improve communication, relationships, and outcomes.

Join us to gain insights and tools to foster stability, opportunity, and long-term success for those you serve.

## SPECIALIZED TRAINING FOR THE EDUCATION SECTOR

Thursday, June 4th

11:00 a.m.–2:00 p.m. (lunch served)

Fremont Golf Club

### As a professional in your sector, consider:

- How does poverty affect student attendance, behavior, and academic performance?
- What external factors (housing, food insecurity, family stress) show up in the classroom?
- How do relationships and trust differ for students and families experiencing poverty?
- What supports are most effective – or missing – for these students?

Join us to learn about this and more!
